Dear Ms. Hensley,

Thanks for your interest in writing for our magazine, *Greenzine*. As you know, *Greenzine* produces online magazine articles about the environment. Volunteers write all our articles for free, so our material is free for readers every month.

You told us that you were interested in the environment. Also, you said that you wanted to get some writing experience. You're a college student, so I think becoming a volunteer writer will help improve your skills. We're happy to have young writers with a love of the earth. We'd like to give you a chance to write for us, and we hope you can write an article for the next issue.

Right now, we're looking for someone to write about new "green" products. They should help the environment. I'm sending a list of these products and an application form with this e-mail. Please choose one product to write about and send in the application form. Then, we'll send you a free sample of the product. After you finish writing your article, please e-mail it to me by June 25, and I'll have a look at it.

Sincerely,

Pete Merrick

Managing Editor, *Greenzine*
