I agree that some companies have online interviews for people who apply for jobs. I have two reasons.

First, it's convenience to do interviews at online. It's convenient for going to that company.

Second, it's cheap to cost. Because, it don't have car money to move to company.

It cost only online.

For these reasons, I agree that some companies have online interviews for people who apply for jobs.

When students go to university, they usually go to the campus and take classes in classrooms with other students. However, there are other types of classes for students to take. Some of them take online classes from home without going to the campus.

What are some benefits of this? Online classes are helpful for students living far away from the campus because they do not need to travel for long periods of time. <sup>In addition</sup> Moreover, in the case of recorded online classes, students can watch recorded classes over and over again so that they can understand the classes better.

However, some students may have problems with their computers or their Internet connection during online classes. This can make it difficult to take the classes smoothly. Also, if students do not go to the campus, they will have fewer chances to see each other face to face and talk to other students. Because of this, some students may feel lonely. (2023年3回)
