Okay everyone, please remember that the library is supposed to be a quiet place. I know that a lot of you are friends but I would be very thankful if you would stay quiet. Some students cannot study if people are making noise. I want the library to be a good place for everyone, so you need to respect each other.

Everyone needs to go see Mr. Andrews for their practice uniforms and pads. Next week, we are going to start normal practice, so everyone needs to get ready. Mr. Andrews will take your name and size and then on Monday you can get your practice gear. I want everyone to be here on Monday for extra practice.
